Subject: ORH Chile Update 28December
Attachments: Current ORH Mission Medical Release.pdf

Team:

The time is approaching quickly for our trip to the Chile. I hope you and your family have had a Merry Christmas and will have a Happy New Year. Be careful out there Sunday night and Monday morning. There are a few things that you need to know for the Team's upcoming trip to Chile in January.

The web page for this trip is found at www.TeamORH.Com. Please check weekly for updates.

1. If you have not made your payments for the trip please mail it now to the Fayetteville address.

**Operation Renewed Hope
P.O. Box 43242
Fayetteville, NC 28309**

Please make checks payable to Operation Renewed Hope and mark all checks clearly "Preferred for (Name of Trip) (Name of Participant)."

2. I attaching the Medical Release. Please take care of this immediately!!! Complete 3 copies and have them notarized. Please return the release:
 - A. 1 NOTARIZED ORIGINAL GOES TO OPERATION RENEWED HOPE, 2150 STORM CANYON ROAD, WINSTON SALEM, NC 27106. DO THIS NOW!!!
 - b. 1 Notarized original goes to the team leader when you meet them on the trip.
 - c. 1 Notarized original stays on your person during the entire trip.
3. The next update will include our daily schedule. I am still ng a response from the Chilean Navy about transporting us to the islands before I can finalize it. Please pray with us that they will consent to do this. We do have a Plan B but the Navy would be cheaper and faster (not to mention more exciting).
4. Once we get to the islands we will sleep on air mattresses on the floor of a school building. They are providing the mattresses for us but we will need our own towels and warm blankets (or sleeping bag) as it will be cold at night.
5. We are making ID cards for each team member. If you have not been on one of the trips in the last two or three years please email me a head shot picture of yourself for this card. This can be a selfie taken with your camera and emailed to me. Please do this today before you forget. If you were on one of those trips you will use the same ID and

Insurance cards (insurance card are only valid for one year) so make sure you can locate them.

6. **We will spend a night in Puerto Montt on our arrival and return. You will need to pack your carryon for those nights as you may not have access to your checked luggage until arrival on the island. If we do have access, you will hold up the entire team if you have to get in your checked luggage. You will need a sheet and a towel in the carryon.**
7. ORH provides medical and emergency evacuation insurance. Trip Interruption Insurance is not a part of this but is recommended for these trips. The following are two companies that offer it and were recommended to us. Check them out and compare coverages.
 - a. <http://www.accessamerica.com/>
 - b. <http://www.travelguard.com/>
8. You will need to exchange your spending money when you arrive at the airport in Santiago. I would recommend \$50.00 unless you plan to buy a lot of souvenirs.
9. The electrical outlets in Peru looks like the US but it is **220v**.
10. Chile's time is 2 hours ahead of the US EST.
11. Each traveler will need to bring a large bottle of vitamins with the in their checked luggage. **Only put one bottle in your suitcase.** If you bring more you are likely to be detained and questioned in Customs and risk missing your next flight.
12. Here is a list of items you need to pack in addition the items listed in the SOP manual (page 40):
 - a. Your Bible
 - b. Flashlight
 - c. Toilet paper
 - d. Sun Screen & Insect repellent.

Serving God and Loving it,
[Rick Williamson](#)
