Dear Ukraine Team,

By now you should have emails from Rick Williamson. His last email was 06/18/2018. Please look for this email. If you did not receive it look for it in your spam file. It is important. Let us know if you cannot find it.

Included in this email is the SOP (Standard Operating Procedure). Rick sent this to you in an earlier email. I am sending it again because we have so many new people on the trip. I referenced it in the last email I wrote to you. It is essential for you to read this if you have not read it so far.

Concerning personal baggage. If you can pack in a carry-on which is legal in size, weight, and content according to the airlines and TSA, ORH could use the check bag that you do not use. We will have at least 9 bags coming to the Raleigh area filled with clinic supplies, eyeglasses, and equipment. The trip to Kosovo cost about \$1100.00 extra for the suitcases to conduct the clinic. The same would be true of the Chicago team. We are attempting to get all clinic bags on the first team going over.

IMPORTANT: Please pray for the spiritual ministry of the clinic. While waiting for the pharmacy to fill their prescriptions the evangelism will occur. Also, printed materials will be given. Pray for Brother Oleg and those assisting him with the giving of the Gospel. In the Ukraine, there will not be preaching at night time unless Brother Oleg wishes to do so. We will only be evangelizing during the clinic day at the pharmacy time.

Brother Poindexter has prepared materials to give out during the clinic preaching time.

The time is rapidly approaching when we will fly to the clinic. If you have any questions please ask now. We are more than glad to answer any **question** you may have.

Young people practice blood pressure, temperature, pulse, and respiration. We will be depending on you to be able to do this.

There will be an orientation meeting when we arrive in Ukraine. Many of your questions will be answered there.

God bless,

Jan Milton
