Trips for 2017

Albania

This trip will go to Albania. We will work with Missionary Mike Fiocchi and other national Pastors. We will be working with Brother Fiocchi with a new church plant in the village of Laknas. Laknas has a small church that was started about a year ago, but the villagers have relocated here from the mountains and have very little. They have asked our help in reaching the area with the truth and medicine.

Our goal will be to help the people in their village with medical care and to conduct evangelism and church strengthening ministries. The medical care will consist of general medical, pediatrics, dental and optometry. We will work for four clinic days.
