Trips for 2017

Peru

This trip will go to the jungle villages around the Madre de Dios River. We will work with Missionary Buddy Fitzgerald, Missionary Bob Bass, and a national pastor. We will be in the villages of Salvacion and Pillcopata. These areas are extremely poor and remote. Bro. Fitzgerald is attempting to reach these areas with the Gospel and build churches for continued growth. They have asked our help in reaching the area with the truth.

Our goal will be to help the people in their villages with medical care and to conduct evangelism and new church building missions. The medical care will consist of general medical, pediatrics, dental and optometry. We will work for four clinic days.

Dates: May 20 – 29, 2017

Cost: \$2500.00 to \$2800.00 (This depends of Air Fare at the time of purchase)

Evangelist: (TBA)

Travel Insurance: Provided

Accommodations: This trip has a high level of difficulty. The heat will be intense, and bus rides that are on narrow mountainous roads. We will be eight to ten hours on these roads. There are very sharp curves and steep grades up and down. Many places on the road are one lane gravel with a rock wall on one side and a 1000 foot drop off on the other. **If you have any tendency for motion sickness or have trouble with heights, this trip is not for you.** Two days of clinic will be conducted in each village with the possibility of large crowds. Bathrooms are primitive and there will be no hot water or air conditioning. This trip is not for the faint of heart or those need modern comforts.

NOTE: This clinic is still in the planning stage which means exact date, locations, and cost may still be adjusted.
