Trips for 2018

Togo

This trip will go to the Northern area of Togo near the Ghana and Burkina Faso borders. We will work with Missionary Randy Alderman and local pastors in the villages of Sintouti, Sablena, and Pong. They are working with the people in the area and have asked our help in reaching the area with the truth.

Our goal will be to help the people in their villages with medical care and to conduct evangelism and church strengthening ministries. The medical care will consist of general medical, pediatrics, dental and optometry. We will work for four clinic days.
